VINTAGE RUDOLPH GIFT TAGS

From	HomeRoad
Tutorial	Yes
Difficulty	Easy to Moderate
You need	Sheets of yellowed paper, card stock, fairy vintage reindeer image (supplied), large punch.

There is something whimsical about vintage gift tags.

These would look perfect on Holiday gifts!

METHOD

- Using a large circle punch, punch 2 circles from card stock.
- Attached them around the 2 newspaper cones,
- Flatten the cones
- Print the [Graphics Fairy](#) Vintage Reindeer image 4 times onto a piece of card stock, then cut them out. Glue the reindeer onto the circle punch and add a baker's twine loop for hanging.
- Use red glitter glue for the reindeer's nose and to trim out the book pages.
- Use yellow glitter glue outlined the circle moon.

Here is another version using an angel and gold trim on the edges.

GETTING READY FOR CHRISTMAS

From [Its Overflowing](#)
Tutorial No

IT'S ALL ABOUT THE TREE!

Its Overflowing has put together a gorgeous range of Christmas trees in different shapes, sizes, styles and colors.

Here is a sample of what I think are the loveliest out of all. Its Overflowing has links to the various sites like this traditional tree from A Country Farmhouse below, if you would like to see more.

[A Country Farmhouse](#)

I love the simplicity of this tree, framed by the window behind it and the star lights.

Sprinkled with black and white ornaments and balanced with a rustic tin for support, this tree looks great.

[My Lovely Things](#)

This [BHG](#) Christmas tree is covered with white and silver ornaments.

Without lots of different shapes, colors and sizes grabbing your attention, this tree is peaceful and relaxing to look at.

[Decorated Life](#)

This flocked Christmas tree is overflowing with white, silver and gold ornaments and trimmings.

Its elegant and would look stunning in any home..

Better Homes and Gardens

You better have your best decorations for this tree because the Silvertip Christmas Tree from Pottery Barn lets you see every ornament.

This tree is wonderfully colorful without being overly crowded and weighed down with a million distractions.

[Pottery Barn](#)

This is also a Silvertip Christmas Tree but with a gold theme and topped with a gold angel.

The thinner branches make the tree look lighter and much easier to show off your ornament collection.

HOW TO MAKE A CHICKEN WIRE CHRISTMAS TREE

From *Thistlewood Farm*
Tutorial *Yes*
Difficulty *Easy to Moderate*
You Need *chicken wire, wire cutters, needle nose pliers, pink spray paint, square block of wood, dowel rod, gloves.*

METHOD

- Wear gloves because chicken wire is sharp.
- Cut a square of chicken wire. The square of wire will naturally roll into a cylinder.
- Cut pieces into 12" square for the smaller tree and 18" square for the larger tree.
- Use the border of the chicken wire for your base.
- Wrap the wire into a cone shape, overlapping the back of the cone.
- Shape and then attach wire at a few key places.
- Cut away the excess.

CHRISTMAS LADDER LOVE

From [French Country Cottage](#)
Tutorial No

What a great idea from French Country Cottage. This old orchard ladder creates a spectacular Christmas decoration, especially if you don't have a staircase or mantel to decorate.

Of course, you do need a ladder..

MONOGRAM WREATH

TUTORIAL

From [Its Overflowing](#)
Tutorial Yes
Difficulty Moderate
You Need MDF, ruler, pencil, safety goggles, clamps, sanding and cutting attachments, white paint, wire cutters, artificial greenery, red and pearl berries and a hot glue gun.

WWW.ITSOVERFLOWING.COM

This looks amazing but you do need a few skills. You can place it on a mantel, hang it, lean it, inside or outside.

EASY DIY NO SEW COFFEE COZY

From [A Splash of Something](#)
Tutorial Yes
Difficulty Easy
You Need A clean sock, felt, scissors, fabric glue, buttons

This is a cute stocking filler for those wintery days. You can use Christmas colors or just go for a Christmas theme like this snowflake. I think I would add ribbon or finish off the bottom in some way so it doesn't fray.

[Decorated Life](#)

METHOD

1. Measure 3 inches down from the top of the sock.
2. Cut a straight line across the sock.
3. Add embellishments using felt pieces, buttons and fabric glue.
4. Allow glue to dry completely before using the cozy.

For more details go to [A Splash of Something](#).

CREAM SWEATER WREATH

From [Design Dining and Diapers](#)
Tutorial Yes
Difficulty Easy
You Need a large straw wreath base, a cream sweater with a nice collar and cable knit detailing, hot glue, and scissors.

METHOD

Here's the short version.

Head over Design Dining and Diapers for the full run down and more photos.

- Measure the width of your wreath and cut out the front panels to use around the base of the sweater.
- Pull the edges tightly together and secure with hot glue.
- If you're left with a large hole at the top of the wreath use some extra pieces to cover.

- Make the bow out using the collar from your sweater.
- Use the back, larger area of the collar for the bow, fold and glue.
- Use the narrow front panel pieces as the hanging ribbon end of the bow.

For more details go to [Design Dining and Diapers](#).

HOW TO KEEP GREENERY FRESH THIS HOLIDAY SEASON

From [Making Home Base](#)
Tutorial Yes
Difficulty Easy – it's remembering that's hard

How to Keep Greenery Fresh THIS HOLIDAY SEASON

Whether you buy or make greenery yourself, you want it to last.

There's nothing worse than your guests being greeted with a wilted wreath.. not a lot of ho, ho, ho, in that is there?

Making Home Base has this wonderful way of keeping greenery last 4 weeks! Which is perfect for Christmas!

METHOD

- It's all about water retention! Soak greenery overnight in water in a tub or sink to absorb as much water as possible before use.
- Mist greenery daily. This keeps your holiday greenery moist.
- Never mist greenery in direct sunlight. It will burn the greenery.
- Garlands above your mantel will dry out if you use your fireplace.
- Check for freshness every few days. Remove or replace any dead or dying pieces.

EASY CHRISTMAS ORNAMENTS KIDS CAN MAKE

From [BHG](#)
Tutorial *Yes- 23 of them!*
Difficulty *Easy to moderate*

MAKE AN EVERGREEN TREE ORNAMENT

You Need *patterned paper, straight- and decorative-edge scissors, double-sided adhesive tape, green wire, glue gun and hotmelt adhesive*

METHOD

- Draw 5-, 4-, and 3-1/2-inch circles, and cut each out with straight-edge scissors.
- Cut a slit to the center on each circle, using straight-edge scissors.
- Trim around each circle using decorative-edge scissors. Leaving a small opening in the top, wrap each circle into a cone shape and hot-glue the ends.
- Cut three 18-inch-long wires.
- Holding the wires together, wrap a short wire around the wire bundle.
- To form the tree, thread the cones, one at a time and in graduating sizes, onto the wire bundle, hot-gluing them in place on the inside.
- Curl the ends of all the wires, trimming their lengths as needed.

There are 23 great kid's crafts including glittered baubles, salt dough ornaments, and personalized ornaments. Here are two more easy paper projects.

Find more projects and details here at [BHG](#).

DECORATING WITH CHRISTMAS ORNAMENTS

From [BHG](#)
Tutorial *Yes - 24 of them!*
Difficulty *Easy to moderate*

Turn left over or orphaned ornaments into this colorful Christmas wreath.

METHOD

- Spray-paint a foam wreath form with silver paint and allow to dry. This one is 24-inches and needs about 140 ornaments to cover it.
- Using hot glue, secure the largest ball ornaments to the inside and outside circles of the form.
- Fill in the rest of the wreath with smaller ornaments. Fill in bare spots with bunched up lengths of bead garland.

You could paint the foam wreath gold, green, white or even red and change the bauble colors to match your Christmas decor. There are 23 more bauble projects including these below.

ORNAMENT GARLAND

This elegant ornament garland is created over a simple brass bicycle chain from hardware stores.

Tack the chain into place, with the middle of the chain in the center, secured with brads.

Add ornaments to the chain using ornament hooks. Add holly and secure with floral wire.

[Decorated Life](#)

HOLIDAY WOW

Here's a centerpiece that will wow everyone.

Start by decorating any plain ornaments with glitter and glue.

You can draw stripes, stars or circles on the baubles with crafts glue and sprinkle with glitter. Tap off excess glitter and allow to dry.

Glue ornaments to mirrored discs, from craft stores. Remove the ornament hangers, pour water in the ornament and insert flowers and berries.

You can also line them up in a row and add thin candles to every alternate bauble.

OUTDOOR ORNAMENTS

Simple ideas are simply the best.

Fill galvanized buckets with seasonal evergreens to display outside. Then trim each bucket with small ornaments strung onto tinsel.

FOLK ART WINDOW

From [House To Home \(UK\)](#)

Tutorial Yes

Difficulty Easy

You Need Berry-red felt to make curtains, enough white felt hearts to spread across, glue gun, garland of padded Christmas motifs.

Method

- Make up simple curtains in festive berry-red felt. Red can be overpowering, so a small to mid size window works best.

- Decorate the curtain border with folk art white hearts. You can buy these inexpensively or make them.
- Glue the hearts to the bottom of the curtain, spreading them evenly across.
- Complete the effect by stringing up a garland of padded Christmas motifs.

There are more great ideas [here](#).

DIY SNOW GLOBE

From [Shelterness](#)

Tutorial Yes

Difficulty Easy

You Need Clear glass baubles, small trees, white spray paint, glue, a wooden skewer, scissors, tweezers and white glitter.

Method

- Cut the tree so that it fits into the bauble.
- Lightly spray paint it.
- Dab some glue on the end of the skewer. Gently place the glue in the bauble, pressing the glue into the centre.
- Using the tweezers, place the tree into the bauble securing it to the glue.
- Sprinkle glitter into the

[Decorated Life](#)

bauble and replace the top.

- Leave to dry.
- Give away or decorate your tree.

- wire on pine, eucalyptus and mistletoe. If you are using fresh remember to water or mist to hydrate.
- Dress your wreath with creamy roses.

More details at [House to Home \(UK\)](#).

FESTIVE MESSAGE

From [House to Home \(UK\)](#)

Tutorial Yes

Difficulty Easy

You Need Small twigs, brown paper luggage or parcel labels, red string or ribbon, glue.

Method

- Cut your twigs into small pieces.
- Write your Christmas message onto your luggage labels, one label for each letter.
- Glue the twigs on to labels using your markings as a guide.
- Add to your string or ribbon,
- String across the window.
- Wrap presents in traditional brown paper and secure with ribbons in burgundy, green and cream.
